Revised Draft rules are subd in
proof. A few further alterations
have been made for the reasons
entered in pencil on the proof copy.
The Draft may now be sent to
the Collector (u.o) for any further
remarks he may wish to offer.

2. The amendment proposed by the
Collector in his D.O No 1538 of 29.

April 1908 has not been embodied,
because the Post. Order of 17. Nov.
1888 referred to was issued under the

previous rules on the subject. I
understand from Mr. Sherman that spirit
manufactured in Batavia, Jamaica &
Ceylon is not now imported into
the C. & G. station.

3. There is one other point which needs
notice. There are Refreshment rooms
at the Bangalore City Railway Station
& Bowringpet station which are under
British jurisdiction. The collector says
that the Excise Act is in force in
the C. & G. station does not appear
to be in force in the Railway lands
& that the Refreshment room in
the City station appears to be licensed
by the Bangalore authorities. Under

(2) Licenses for the Refreshment Rooms at the Railway Stations are issued by the District Commissioners under Mysore Excise Regulations of 1901. As promised in para: 3 of my letter No: 631 dated 20th instant and with reference to your No: 681 dated 3rd idem, I have the honor to forward herewith a draft Notification embodying certain amendments that are proposed to be made in the rules issued in the Honorable the Resident's Notification No: 526 dated 5th February 1903, and to request that the notification may be issued at an early date, if approved by the Honorable the Resident.

2. The amendments it will be seen are made partly in accordance with the recommendations contained in the Government of India Resolution

Resolution on Chapter XI and XII of the Excise - Se. 1 & file 9 F/65
Committee's report and partly on the suggestions
of Mr. Bennett, Bikanir Deputy Commissioner of
Madras, a copy of whose Memorandum on the
Subject is enclosed.

I have the honor to be,

Sir,

Your most obedient Servant,

Memorandum by E. Bennett Esquire,
 Major Deputy Commissioner, Madras, on
 certain amendments proposed to be made
 in the Excise rules in force in the Madras

The question of classifying
 up Bangalore beer is
 now under discussion

RULE-1. I cannot see how under this
 para any beer now manufactured in Bangalore
 can be excluded from "foreign liquor". I
 would therefore amend the rule as follows:-
 after (in line 5) "Country beer, Brewed"
 insert "wholly or partially" from, and delete
 (in line 6) "Country x x Malt"

RULE-2. I cannot understand why a
 special license fee is raised on shops sold
 by auction. No such rule is in force in
 this Presidency: the rent obtained on auction
 covers the indebtedness of the licensee.

(1) to (5) should in my opinion dis-
 appear.

RULE-3. As a matter of fact I presume
 that licenses (6) to (13) are never sold by
 auction. They are and should be fixed fees.
 Nos. 8, 9, 11, 12 & 13 obviously would not be
 put up to auction. No. 10 might, but I sup-
 pose such licenses are given to holders of
 auctioned licenses only.

(xiii) Are not the kists payable to
 the credit of the Assigned Tract too?

RULE-5. (ii) The addition of anything
 to liquor is covered by the four terms
 defined in the rule: the addition seems un-
 necessary, unless to meet the case (an
 improbable one) of the addition of stronger
 spirit to alcoholic liquor.

vide para 5 (vi) c)
 98.3.21 3
 6597
 1705

RULE-6 (v). Why has the strength been altered from 30^o to 25^o U.P.? The Excise Committee recommended a higher limit of 30^o U.P. Sec p.13(i) of the Government of India Resolution. I do not think there is any risk in a place like Bangalore of illicit distillation and consider that the strength might at once be reduced to 30^o U.P.

✓ note para 6(v) & 6.
of sec. 3 (a) & 4
4872
485

RULE-6 (vi) Sub-para. I think the word "maximum" should be inserted between "the" and "quantity."

LICENSES.

FORM-1. I do not see what is gained by Condition 2. The purchaser of the shop will take these payments into consideration when he bids for the shop and of course will not offer the full value of the shop.

CONDITION 3. Under this condition I do not see how any Malt brewed beer can be kept out of these shops.

Condition 4. I would omit the words "and density" as the brewer is not bound to supply beer at any fixed density. In his license there is simply a maximum density fixed for wort, not for finished beer.

FORM-2. I presume that 60^o U.P. will only be supplied if there is a proved demand for it.

FORM-3. Condition 2. See remark supra against condition 3, Form 1.

Under this license I presume that any class of beer can be sold. Why is the source of supply restricted to

Bangalore and the Nilgiris? Does it mean that from the latter only what we know as "Native" beer can be purchased by these licensees?

Madras is removing the restriction "to licensed persons only", and the fee is only Rs.100.

FORM-6. Condition 1. I think the first "only" should follow "liquor". It seems somewhat unnecessary to say that the liquor should not be consumed on the premises when the sale is limited to a minimum of 2 gallon

Fee in Madras and the Nilgiris Rs.200. Kodai, Yercaud, Kotagiri and Cochin and all towns 25,000 and over Rs.100 , elsewhere Rs.50.

FORM-7. I consider that a maximum limit should be placed upon sale under this license. Otherwise there is no necessity for any one to take out Form 6.

Sale restricted to "two imperial gallons of each kind "

FORM-11. Condition 2. "not dilute nor" should be deleted and after substance whatever "except water" should be added. Liquor may be imported at high strengths and must then be reduced before bottling.

FORM-12. Cocaine itself is but little used. Cocaine Hydrochloride is what is generally employed. After "Cocaine" "and its salts" should be added.

FORM-13. In this Presidency compounding can be allowed only in distilleries or in Customs Bonded Warehouses and under departmental control, otherwise any restrictions becomes valueless. Where can this be done in Bangalore? It cannot be done in the Arrack Warehouse itself, and it is a question whether it is likely to be carried out on such a scale as to make it worth while to set apart a special place for it.

3. The Collector may sell by auction the right to hold any of the licenses mentioned in rule 2 for any period. The terms and conditions of the sale and of the grant and issue of licenses shall be as follows:—

i. Each bidder at the auction shall deposit the sum of Rs. 50 before bidding. The shops shall, subject to the provisions of the next succeeding clause, be knocked down to the highest bidder above the upset price, subject to formal confirmation by the Collector. Such formal confirmation shall, unless revised by the Resident for special reasons, be tantamount to an acceptance of the bid and shall be necessary whether the sale be held by the Collector himself or by any other officer deputed by him. Parties intending to bid must attend either in person or by duly accredited agents.

ii. It shall be within the discretion of the officer conducting the sale to decline to accept any bid or deposit if, for any sufficient reason, he considers such acceptance to be undesirable.

iii. As soon as the auction is completed, the deposit made by each unsuccessful bidder shall be returned to him on application. As the auction proceeds, the person whose bid is accepted for each shop shall at once deposit a sum equal to half a month's rent for that shop in addition to the deposit required under clause i. Should he fail to do this, the deposit made by him under clause i shall be forfeited, the shop shall at once be put up again for sale on the above conditions, and he shall be debarred from bidding again for the same or any other shop.

iv. Those persons to whom shops have been knocked down, and who have made deposits as provided in clause iii shall also, within seven days from the date of auction, deposit such further sum as with the former deposits will make up an amount equal to two months' rent of each shop knocked down to them, and shall take out licenses on the conditions hereinafter set forth.

v. If on enquiry subsequent to sale, but before final confirmation thereof, the purchaser shall be found to be of doubtful solvency, he may be required to deposit twice the amount prescribed under clause iv, or to provide two sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. All expenses attendant upon this proceeding shall be borne by the purchaser.

vi. On the failure of any person to make deposit under clause iv, or to take out a license as aforesaid, or to comply, if required to do so, with a requisition under clause v, the deposits made under clauses i and iii shall be forfeited, and the shop or shops re-sold or otherwise disposed of at the discretion of the Collector.

vii. Re-sale effected under clause vi shall be at the risk of the defaulting bidder, who shall forfeit any gain that may ensue owing to a rise in price, and, in the event of loss by resale, shall make good the deficiency that may be occasioned through his default. In the latter case the forfeited deposits shall be deducted from the loss arising from the re-sale and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits shall be credited to Government. The defaulting bidder shall be similarly liable if the privilege be disposed of otherwise than by re-sale and such disposal results in loss to Government.

viii. A purchaser at an auction sale or re-sale shall not be permitted to sell, transfer or sub-let the right he has acquired or any interest therein without the consent of the Collector, which for any adequate reason may be withheld; nor shall he appoint any person to act as his agent in the management of the shop without the Collector's previous approval.

ix. In case of any breach of the conditions of the license, either by the purchaser or by any person in his employment, it shall be competent for the Collector to impose a fine not exceeding Rs. 20 for every such breach of the conditions of the license, or to declare the money deposited with him forfeited and to cancel and re-sell the license at the purchaser's risk, and all loss caused thereby shall be made good by him.

x. The imposition of a fine or the forfeiture of deposit, or the cancellation of the license under the last preceding clause shall not be held to prevent the prosecution of the purchaser or any of his servants for any offence which may be committed against the Excise Laws or Rules in force.

xi. If it comes to the knowledge of the Collector that the purchaser fails to open his shop, or to carry on his business with due care and attention, or that he has been convicted of an offence under the Indian Penal Code, or under the Excise Laws or Rules, it shall be lawful to the Collector to cancel his license, and to re-sell or otherwise dispose of the privilege at the purchaser's risk.

xii. The purchaser shall pay the amount, for which the privilege above described has been purchased, into the Resident's Treasury in equal monthly instalments on or before the 20th of each month commencing from the 1st of the month in which the license comes into force. If the deposit made by him under clause iv be in cash, it will be taken in payment of the instalments due on the last two months of the period of the lease. Failing payment by the 20th of the month, the Collector may, if he considers it sufficient, impose a fine of 4 annas for every day for which payment is delayed, or may at once proceed to recover the arrears in the manner prescribed by law. If the instalment has not been paid by the 5th of the following month the Collector may suspend or cancel the license and issue notice of re-sale, and may re-sell the license on the day fixed with effect from the date of its issue to the new purchaser. In that case the deposit shall be forfeited, and if it should fall short of the arrears due and the loss, if any, caused by the suspension or re-sale, the purchaser shall be responsible for the difference which may be recovered by the Collector in the manner prescribed by law. If the Collector does not re-sell the shop he may make such other arrangements as may appear advisable for the remainder of the lease, in which case he will serve a notice upon the defaulting purchaser detailing the nature of the arrangement made. No remission or abatement of the rent shall, on any account whatever, be claimable by the purchaser.

xiii. The purchaser shall pay the license fee prescribed by rule 2 above ~~to the credit of the Assigned Tract~~ into the Resident's Treasury or to any officer duly authorised by the Resident to receive such payments, in two half-yearly instalments payable on or before the 1st day of June and the 1st day of December.

xiv. The purchaser of the shop shall be liable to the penalties prescribed for breaches of the conditions set forth in the prescribed form of license, though a formal license may not have been issued to him.

4. All licenses granted under these rules shall be subject to the following conditions:—

Sale of ^{liquor}~~intoxicating drugs~~ shall be made only in the building specified in the license granted and not elsewhere on any pretext whatever.

ii. The licensee shall be bound by any additional rules which may be prescribed under the Excise Law now in force, or which may hereafter be enacted, and shall, on requisition by the Collector or by any officer duly authorized by the Collector, deliver up this license for amendment, or for the issue of a fresh license accordingly.

iii. No liquor or intoxicating drugs other than that to which the license relates shall be kept or sold in the building covered by the license.

iv. The licensee shall, unless specially exempted by the Collector, keep a true account in ink in such form as may be prescribed by the Resident, showing the quantity (and, in the case of arrack, the strength) of the liquor or intoxicating drugs received in his shop, the quantity (and, in the case of arrack, the strength) of the liquor or intoxicating drugs sold, the price at which they are sold, and the quantity remaining unsold each day. The account shall be produced for the inspection of the Collector, or any Excise or Police officer not below the rank of Sub-Inspector.

any person found guilty of any offence under the provisions of the Act shall be liable to a fine not exceeding one hundred rupees or to imprisonment for a term not exceeding six months or to both such fine and imprisonment. The Collector may, at any time, cause the shop to be inspected and if found to be in violation of the provisions of the Act, he may order the shop to be closed for a period not exceeding one month. The Collector may also, at any time, order the shop to be closed for a period not exceeding one month on the grounds of police or public safety.

remission or compensation shall be claimed if it is found necessary to enforce this latter clause.

Bangalore, 11th March 1908.

From

1st Assistant to the Resident in Mysore.

To

Dear Moore,

Please refer to your letter

No.665 dated 22nd February 1908 forwarding
a draft Notification for issue under the
Excise Act.

The draft seems to require further
revision in the light of the orders
recently issued regarding Excise Adminis-
tration, and I send herewith a memorandum
of points calling for consideration in
this connection. Mr. Fraser, will be
glad if after a consideration of the memo
and any other matters which may suggest
themselves to you, you will send him a
fresh draft for approval.

Yours sincerely,

(Sd.) F. P. Rennie.

78/12

Points which seem to call for consideration.

1. Rule 1 of the draft rules. The question whether beer manufactured in Bangalore should be regarded as foreign liquor is under discussion. The result of the reference made to Major Bedford, I.M.S., should apparently be awaited.

2. Rule 2.

(1) Refreshment Room license, Form I.

(a) Does this apply to the Railway Refreshment Rooms at the Bangalore^{City} Station and Bowringpet^h which are under British Jurisdiction and to which the Excise Rules are applicable?

(b) Provision should be made for the points indicated in paras 21 (5) and (6) and 23 of Finance Department Resolution No.2995 dated 16th May 1907.

(c) As regards conditions on Form I, if beer brewed wholly or partially from malt is to be regarded as foreign liquor - vide Rule 1, conditions 2 and 3 seem to require revision. They are perhaps unnecessary.

(d) The 'so called' Refreshment rooms now licensed in Bangalore appear to be more or less Foreign liquor taverns.

(2) Arrack shop license, Form 2.

(a) the question of reducing the strength of arrack is under reference to the Durbar. Pending the result of that reference, the strength need not be fixed in condition 1. It will probably be advisable to put it generally to the following effect:-

" x x the sale by retail of arrack of such strength or strength as may be fixed by the Resident.

(b) In condition 2, the duty and the strength need not be definitely be fixed at present. The 'word 'Deposit' should not be used. The expression 'warehouse' to be used instead with reference to para 44 of the Excise Committee's Report and para 38 of Finance Department Resolution No.2994 E., dated 16th May 1907.

(3) Beer Tavern License, Form 3.

- (a) The condition recently imposed in order to prevent retail vendors from having an interest in the manufacture of beer has to be inserted.
- (b) As regards condition 2, the point is to be made clearer whether beer manufactured in Bangalore alone is to be sold in the taverns. Beer 'unfit for consumption' to be destroyed. See general provision in Rule 4 V (a).

Res 1 letter no.
1088 d/27.3.05
S. 15. F. 459 B/05

(5) Ganja Shop license Form 5.

- (a) Condition 2 to be revised in accordance with Resident's Notification No.3 dated 7th January 1908.
- (b) Condition 3. The word 'Depot' to be substituted by 'Warehouse' - see (2) (b) above.

(6) Wholesale foreign liquor license Form 6.

The fee was proposed by the Collector to be raised to Rs.200 and the proposal was accepted by Resident.

(7) Retail foreign liquor license, Form 6.

- (a) Collector proposed that the fee should be raised to Rs.250, and further information was asked for in Residency letter No.7129 dated 22nd November 1907. A fee of Rs.200 is inserted in the draft rules, apparently based on Madras practice.
- (b) As regards maximum and minimum quantities to be sold, see para 21 (2) of Finance Department Resolution No.2995 Ex. dated 16th May 1907 and para 12 of Finance Department Resolution No.5086 dated 15th August 1907 and para 2 IV (2) of Collector's letter No.3019 dated 2nd September 1907.

(8) Hotel license Form 8

should provide for matters mentioned ⁱⁿ para 21(5) of Finance Department Resolution No.2995 dated 16th May 1907.

(9) Bottling license Form 11

S.I. F 459 B/05 Resolution No. 2995 dated 16th May 1907 have to be attended to. only wholesale license vendors can apparently be given bottling license, and the operation should be under Government supervision.

(12) Cocaine license - (Form 12)
Novocaine

Licenses for cocaine should be separate from those of novocaine. Condition 8 should be deleted and that approved in Resident's Notification No. 39 dated 28th June 1907 should be substituted.

(13) Medicated wines Form 13.

The need for this license to be explained; and arrangements necessary for giving effect to condition 3 to be stated. Who is to pay the fee for chemical analysis?

3. Rule 3

(a) The condition in Resident's Notification No. 20 dated 24th February 1908, preventing persons having an interest in the manufacture of beer from bidding for the retail vend of beer has to be inserted.

(b) The auction period to be fixed by Resident, see para 18 of Finance Resolution No. 2997 dated 16th May 1907 and Collector's letter of 28th August 1907.

(ii) See para 2, II (2) of Collector's letter No. 3019 dated 2nd September 1907 in this connection.

(ix) Entertainments on shop premises to be forbidden - para 11 of Finance Department Resolution No. 5086 dated 15th August 1907.

S. 1 of F 459 F/05

5. Rule 6. IV requires revision with reference to para 10 of the Resolution of 15th August 1907. The question of prohibiting sale to women has to be considered.

S. 1 of F 459 F/05

6. Rule 6 VI The maximum prescribed in this rule seems to conflict with that proposed in connection with Forms 6 and 7.

7. Rule 7. Licenses for cocaine should apparently be different from those of novocaine.

Rule 2 - Refreshment Room License form.

(a) The Excise Act XII of 1896 under which the existing rules are issued does not appear to be in force in the railway lands. The refreshment room in the City railway Station appears to be licensed by the Mysore Authorities. We have been exercising jurisdiction only in civil and criminal matters;

(b) Subject to orders on (a), provision has been made as pointed out (Vide license forms 9 and 10 appended to the revised draft rules).

(c) Vide rule 1 above. The conditions 2 and 3 have been omitted as unnecessary.

(d) The heading of the license has been changed to "Foreign Liquor Tavern License."

This license is proposed in pursuance of the instructions of the Government of India which require that the sale of medicated wines and other similar preparations in India should be regulated. Sir,

In continuation of my N^o 968
dated the 17th December 1907, I have the honor
to state that, through a misconception at
the brewery at Bangalore, the samples sent
to me (in response to my telegram of 30th
November last to the address of the Honorable
the Resident in Mysore) did not represent
"finished beer" but wort. It presumably
the forwarding officer understood the special
reason for the examination of these samples
(i.e., that an opinion from me on the finished
products was required) and as the forwarding
letter described the samples as "beer (1)
" brewed on English principles and (2) native
ale

* From the
Bangalore Excise
Supdt N^o 841
dated 9th Dec-1907-

at which pay duty at the full tariff rate," I had to accept them as such and as being sent as samples representative of the local finished products.

2 In the course of correspondence with the Inspector-General of Excise and Salt on this subject it was decided that samples selected so as to correctly represent the "finished beer" made at Bangalore, as placed on the market should be sent here. I have accordingly examined the following samples which were received here on 6th instant.

<u>Description</u> ..		<u>Remarks</u>	
Bangalore Brewery Co's -	Ascertained Alcoholic strength here 90 by Volume.		
Products			
1. Native Ale as supplied to the Madras Presidency -	8.8 -	Brewed on 13 th July, 1908.	
2. Native Ale as supplied to Bangalore Taverns. }	8.5 -	Brewed on 7 th idem.	
3. English Ale as supplied to Refreshment Rooms in Bangalore -	8.2	Probably represent the same type of ales but 3 is a different brew from 4 and 5.	
4. Pale Ale - - - -	7.4		
5. Indian Pilsener - - -	7.3		
6. XXX Stout - - - -	6.9 -		

3. All the above samples show moderate amounts of acidity and of preservatives (sulphites). The alcoholic strengths are very high in relation to their original gravities, - that is to say. they have been fermented more like spirit-washes than beer-ports. The strengths of 1, 2 and 3 are also excessive when compared with imported or Indian-made "European beers".

4. The alcoholic strength of the bottled samples 4, 5 and 6, though high, is not excessive; and in general appearance and character these samples compare fairly well with the corresponding type of "foreign" beers. They might, in consequence, be admitted to the "foreign liquor category".

5. The "English Ale" (Sample 3) was not equal in type to the better qualities of "foreign" ales encountered in India, but "foreign liquor" privileges might be conceded in this case provided that the quality of beer returned in future under this description is at

at least not inferior to that of the sample sent. In fact, it would be well to aim at a markedly improved quality henceforth.

b. Samples Nos 1 and 2 of "Native Ale" have a sickly, sugary character, indicating their half-sugar origin; and I consider that so-called ales of this description are undesired to admission to the "foreign liquor" category. Further, as regards samples 1, 2 and 3 it may be generally stated that as ales they are characterless, and are not comparable to good qualities of European beer. Liquors of this type which have fermented so as to convert practically all their sugar into alcohol should not in my opinion, be encouraged. Many spirit washes contain scarcely more (and frequently less) alcohol than these "ales". Elaborate precautions are taken by the Excise to prevent the former from being

removed

removed from a distillery yet, on payment of a duty of two annas a gallon, these strong beer worts which would well repay distillation become freely available to the illicit distiller.

7. It is readily conceivable that a brewer of these high strength "ales" obtaining as he does all the alcohol possible from cheap materials, would, after paying two annas a gallon duty (i.e., about 12-14 annas per proof gallon), pass them out to ostensible customers for distillation. Even if the customer actually paid the price of Rs 20 per hogshead to the "native" brewer (i.e., even without direct collusion) he could obtain, from 6 to 7 gallons of this, one proof gallon of spirit at a cost of at most Rs 4-4-0 as against the minimum possible price of duty-paid spirit of, say Rs 6/- per proof gallon.

8. To sum up as regards these Bangalore Brewery products the "native ales" should not, in my opinion, be conceded "foreign" liquor privileges. The English beer
and

and stout (as represented by the above samples nos 3, 4, 5 and 6) might be admitted to the foreign liquor category. At the same time, attention might be drawn to the extremely low residual extracts found in the above mentioned three samples of beer. It fermentation should be aimed at which would stop short of converting practically all their dissolved extract into alcohol.

THE HON'BLE THE RESIDENT IN MYSORE

Notification.

No. ~~526~~ *Sated Bangalore* the 1908.

In supersession of No. 526, Dated Bangalore, the 5th February 1903, and

In exercise of the powers conferred by section 65 of the Excise Act, XII of 1896, as applied to the Civil and Military Station of Bangalore, the Resident in Mysore is pleased to make the following rules, in supersession of all previous rules, for the grant of licenses for the sale of spirits, fermented liquors and intoxicating drugs:—

1. ~~In these rules the term "foreign liquor" means and includes all fermented liquors and spirits imported from foreign territories by sea or land, all coloured or flavoured spirits manufactured in the country and cocoanut-toddy arrack manufactured in Malabar and excised at the tariff rates of import duty, and country beer, brewed from malt and duly excised, but does not include methylated spirits, ordinary arrack, country beer not brewed from malt and plain rectified spirits.~~

2. The Collector may issue licenses in the appropriate forms appended to these rules for any of the following purposes. Unless otherwise ordered by the Resident the fees noted in ~~each~~ ^{the} case shall be payable in respect of licenses so granted:

(5) (1) *Foreign liquor Tavern license*
~~Refreshment Room license~~ For the sale of foreign liquor to be consumed on the premises: Rs. 150.

(11) (2) *Arrack Shop license*. For the sale of country spirits to be con-

(12) (10) *Occasional license*. For the sale of spirits or fermented liquors, at race-meetings, bazaars or other public entertainments for periods not exceeding 10 days: Rs. 5 per diem.

(13) (11) *Bottling license*. For enabling foreign liquor ~~shop~~ licensees to

1. Each bidder at the auction shall deposit the sum of Rs. 50 before bidding. The shops shall, subject to the provisions of the next succeeding clause, be knocked down to the highest bidder above the upset price, subject to formal confirmation by the Collector. Such formal confirmation shall, unless revised by the Resident for special reasons, be tantamount to an acceptance of the bid and shall be necessary whether the sale be held by the Collector himself or by any other officer deputed by him. Parties intending to bid must attend either in person or by duly accredited agents.

It shall be within the discretion of the officer conducting the sale to accept any bid or deposit if, for any sufficient reason, he considers to be undesirable.

Persons shall have been employed in country, as above condition.

When the auction is completed, the deposit made by each unsuccessful bidder shall be returned to him on application. As the auction proceeds, the bid is accepted for each shop shall at once deposit a month's rent for that shop in addition to the deposit required. Should he fail to do this, the deposit made by him under clause vii, if not paid, the shop shall at once be put up again for sale on the above conditions and he shall be debarred from bidding again for the same or any other shop.

iv. Those persons to whom shops have been knocked down, and who have made deposits as provided in clause iii shall also, within seven days from the date of auction, deposit such further sum as with the former deposits will make up an amount equal to two months' rent of each shop knocked down to them, and shall take out licenses on the conditions hereinafter set forth.

vi. If on enquiry subsequent to sale, but before final confirmation thereof, the purchaser shall be found to be of doubtful solvency, he may be required to deposit twice the amount prescribed under clause iv, or to provide two sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. All expenses attendant upon this proceeding shall be borne by the purchaser.

vii. On the failure of any person to make deposit under clause iv, or to take out a license as aforesaid, or to comply, if required to do so, with a requisition under clause vi, the deposits made under clauses i and iii shall be forfeited, and the shop or shops re-sold or otherwise disposed of at the discretion of the Collector.

viii. Re-sale effected under clause vii shall be at the risk of the defaulting bidder, who shall forfeit any gain that may ensue owing to a rise in price, and, in the event of loss by resale, shall make good the deficiency that may be occasioned through his default. In the latter case the forfeited deposits shall be deducted from the loss arising from the re-sale and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits shall be credited to Government. The defaulting bidder shall be similarly liable if the privilege be disposed of otherwise than by re-sale and such disposal results in loss to Government.

xiii. A purchaser at an auction sale or re-sale shall not be permitted to sell, transfer or sub-let the right he has acquired or any interest therein without the consent of the Collector, which for any adequate reason may be withheld; nor shall he appoint any person to act as his agent in the management of the shop without the Collector's previous approval.

ix. In case of any breach of the conditions of the license, either by the purchaser or by any person in his employment, it shall be competent for the Collector to impose a fine not exceeding Rs. 20 for every such breach of the conditions of the license, or to declare the money deposited with him forfeited, and to cancel and re-sell the license at the purchaser's risk, and all loss caused thereby shall be made good by him.

x. The imposition of a fine or the forfeiture of deposit, or the cancellation of the license under the last preceding clause shall not be held to prevent the prosecution of the purchaser or any of his servants for any offence which may be committed against the Excise Laws or Rules in force.

xi. If it comes to the knowledge of the Collector that the purchaser fails to open his shop, or to carry on his business with due care and attention, or that he has been convicted of an offence under the Indian Penal Code, or under the Excise Laws or Rules, it shall be lawful to the Collector to cancel his license, and to re-sell or otherwise dispose of the privilege at the purchaser's risk.

xiii The purchaser shall pay the amount, for which the privilege above described has been purchased, into the Resident's Treasury in equal monthly instalments on or before the 20th of each month commencing from the 1st of the month in which the license comes into force. If the deposit made by him under clause iv be in cash, it will be taken in payment of the instalments due on the last two months of the period of the lease. Failing payment by the 20th of the month, the Collector may, if he considers it sufficient, impose a fine of 4 annas for every day for which payment is delayed, or may at once proceed to recover the arrears in the manner prescribed by law. If the instalment has not been paid by the 5th of the following month the Collector may suspend or cancel the license and issue notice of re-sale, and may re-sell the license on the day fixed with effect from the date of its issue to the new purchaser. In that case the deposit shall be forfeited, and if it should fall short of the arrears due and the loss, if any, caused by the suspension or re-sale, the purchaser shall be responsible for the difference which may be recovered by the Collector in the manner prescribed by law. If the Collector does not re-sell the shop he may make such other arrangements as may appear advisable for the remainder of the lease, in which case he will serve a notice upon the defaulting purchaser detailing the nature of the arrangement made. No remission or abatement of the rent shall on any account whatever, be claimable by the purchaser.

xiii The purchaser shall pay the license fee prescribed by rule 2 above to the credit of the Assigned Tract into the Resident's Treasury or to any officer duly authorised by the Resident to receive such payments, in two half-yearly instalments payable on or before the 1st day of June and the 1st day of December.

xiv The purchaser of the shop shall be liable to the penalties prescribed for breaches of the conditions set forth in the prescribed form of license, though a formal license may not have been issued to him.

4. All licenses granted under these rules shall be subject to the following conditions :—

i. Sale of ^{liquor}~~intoxicating drugs~~ shall be made only in the building specified in the license granted and not elsewhere on any pretext whatever.

ii. The licensee shall be bound by any additional rules which may be prescribed under the Excise Law now in force, or which may hereafter be enacted, and shall, by the Collector or by any officer duly authorized by the Collector, be liable to the issue of a fresh license.

iii. relates to

iv. The licensee shall, unless specially exempted by the Collector, keep a true account in ink in such form as may be prescribed by the Resident, showing the quantity (and, in the case of arrack, the strength) of the liquor or intoxicating drugs received in his shop, the quantity (and, in the case of arrack, the strength) of the liquor or intoxicating drugs sold, the prices at which they are sold, and the quantity remaining unsold each day. Such account shall be produced for the inspection of the Collector, or any Excise officer not below the rank of Sub-Inspector or any Police officer not below the rank of Inspector. An inspection note-book with the pages numbered consecutively shall also be maintained intact at each shop at the cost of the licensee so that officers who may inspect the shop may enter their remarks therein. This note-book shall be handed over to the Collector or any officer authorized by him to receive it, whenever it is demanded. The licensee shall furnish such other returns and information as may from time to time be required by the Collector or the Superintendent of Excise.

vi. The licensee shall be liable to the penalties prescribed for breaches of the conditions set forth in the prescribed form of license, though a formal license may not have been issued to him.

xii. If it comes to the knowledge of the Collector that the purchaser fails to open his shop, or to carry on his business with due care and attention, or that he has been convicted of an offence under the Indian Penal Code, or under the Excise Laws or Rules, it shall be lawful to the Collector to cancel his license, and to re-sell or otherwise dispose of the privilege at the purchaser's risk.

xiii. The purchaser shall pay the amount, for which the privilege above described has been purchased, into the Resident's Treasury in equal monthly instalments on or before the 20th of each month commencing from the 1st of the month in which the license comes into force. Failing payment by the 20th of the month, the Collector may, if he considers it sufficient, impose a fine of 4 annas for every day for which payment is delayed, or may at once proceed to recover the arrears in the manner prescribed by law. If the instalment has not been paid by the 5th of the following month the Collector may suspend or cancel the license and issue notice of re-sale, and may re-sell the license on the day fixed with effect from the date of its issue to the new purchaser. In that case the deposit shall be forfeited, and if it should fall short of the arrears due and the loss, if any, caused by the suspension or re-sale, the purchaser shall be responsible for the difference which may be recovered by the Collector in the manner prescribed by law. If the Collector does not re-sell the shop he may make such other arrangements as may appear advisable for the remainder of the lease, in which case he will serve a notice upon the defaulting purchaser detailing the nature of the arrangement made.
